

# FUTUREHOPE

---

**David Brickner, Exec. Dir. of Jews for Jesus – The Hope of His Appearing**

## Titus 2:11-14

For the grace of God that brings salvation has appeared to all men, teaching us that, denying ungodliness and worldly lusts, we should live soberly, righteously, and godly in the present age, looking for the **blessed hope and glorious appearing** of our great God and Savior Jesus Christ, who gave Himself for us, that He might redeem us from every lawless deed and purify for Himself His own special people, zealous for good works.

We have abundant hope because grace  
has appeared **bringing salvation**

## **John 1:17**

For the law was given through Moses, grace and truth came through Jesus the Messiah.

We have abundant hope because grace  
has appeared **bringing instruction**

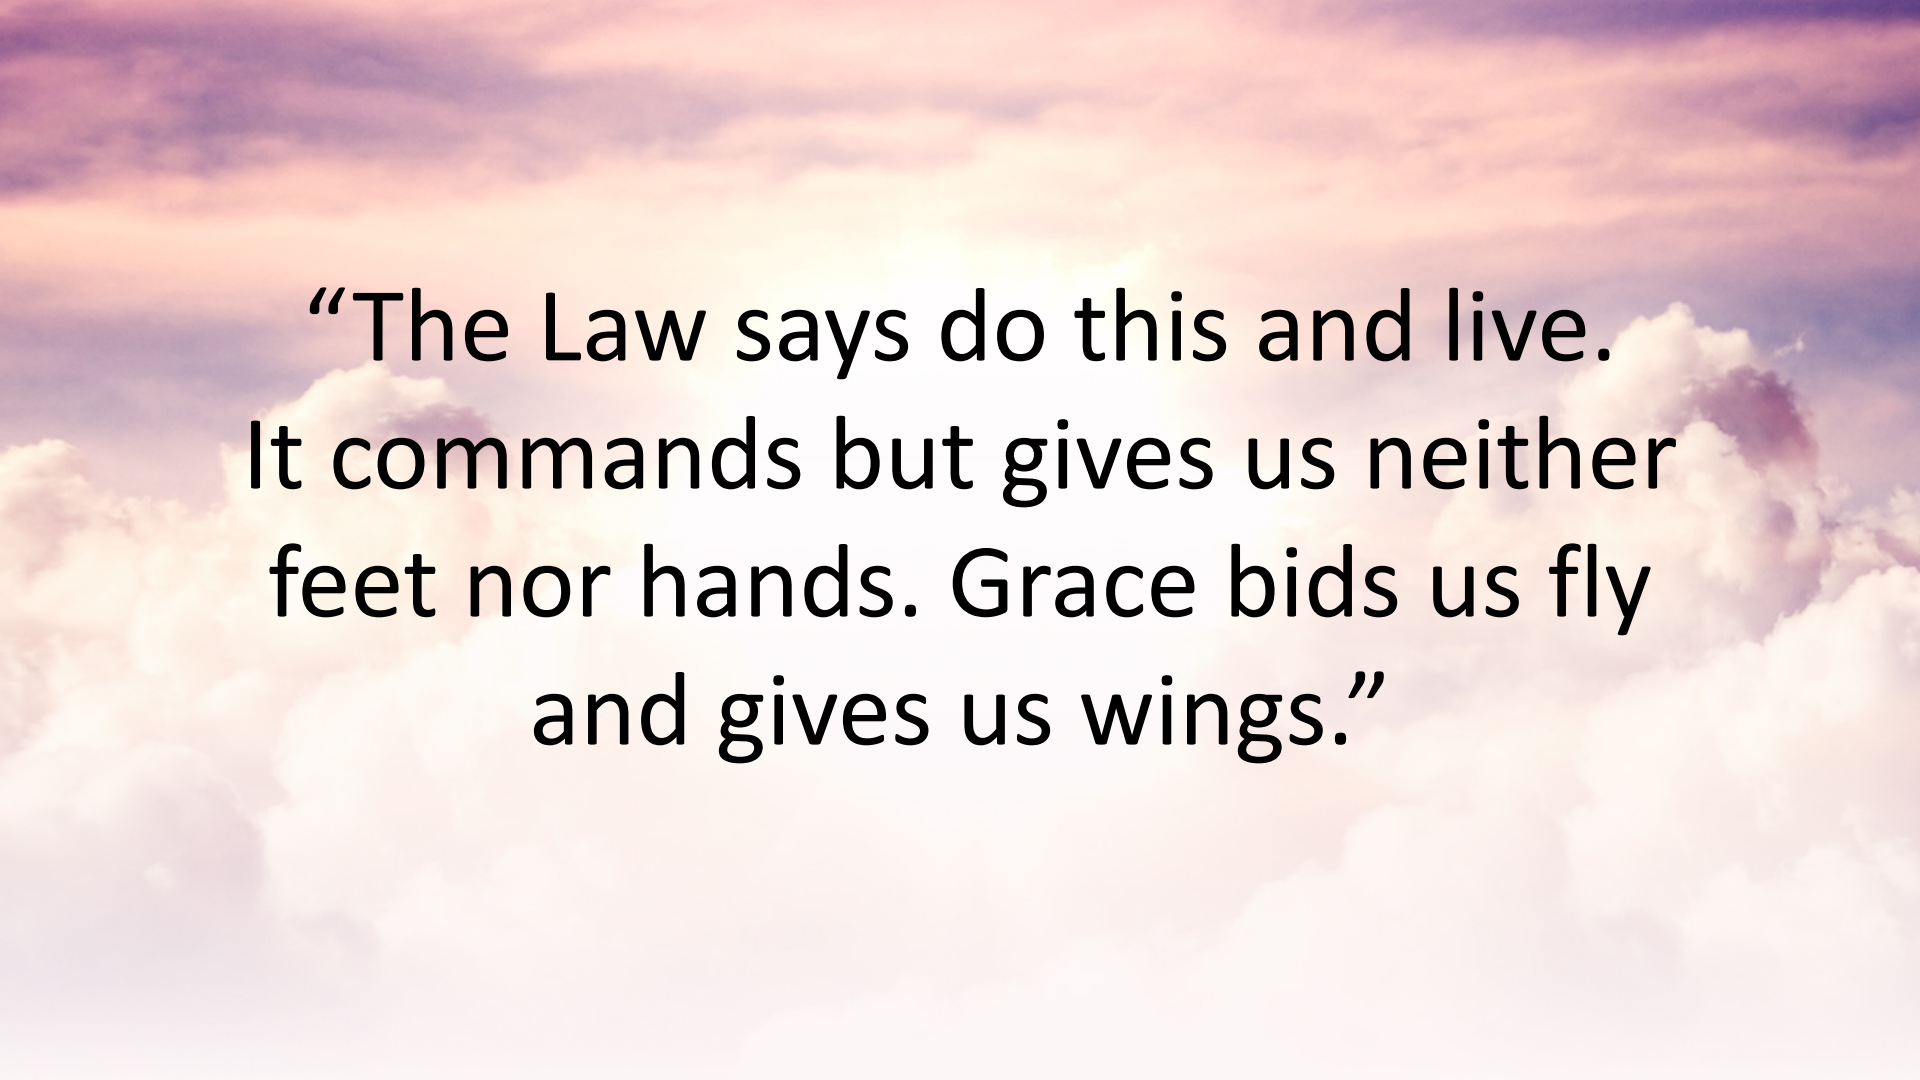

**No** to ungodliness

**No** to worldly lusts

**YES** to sober living

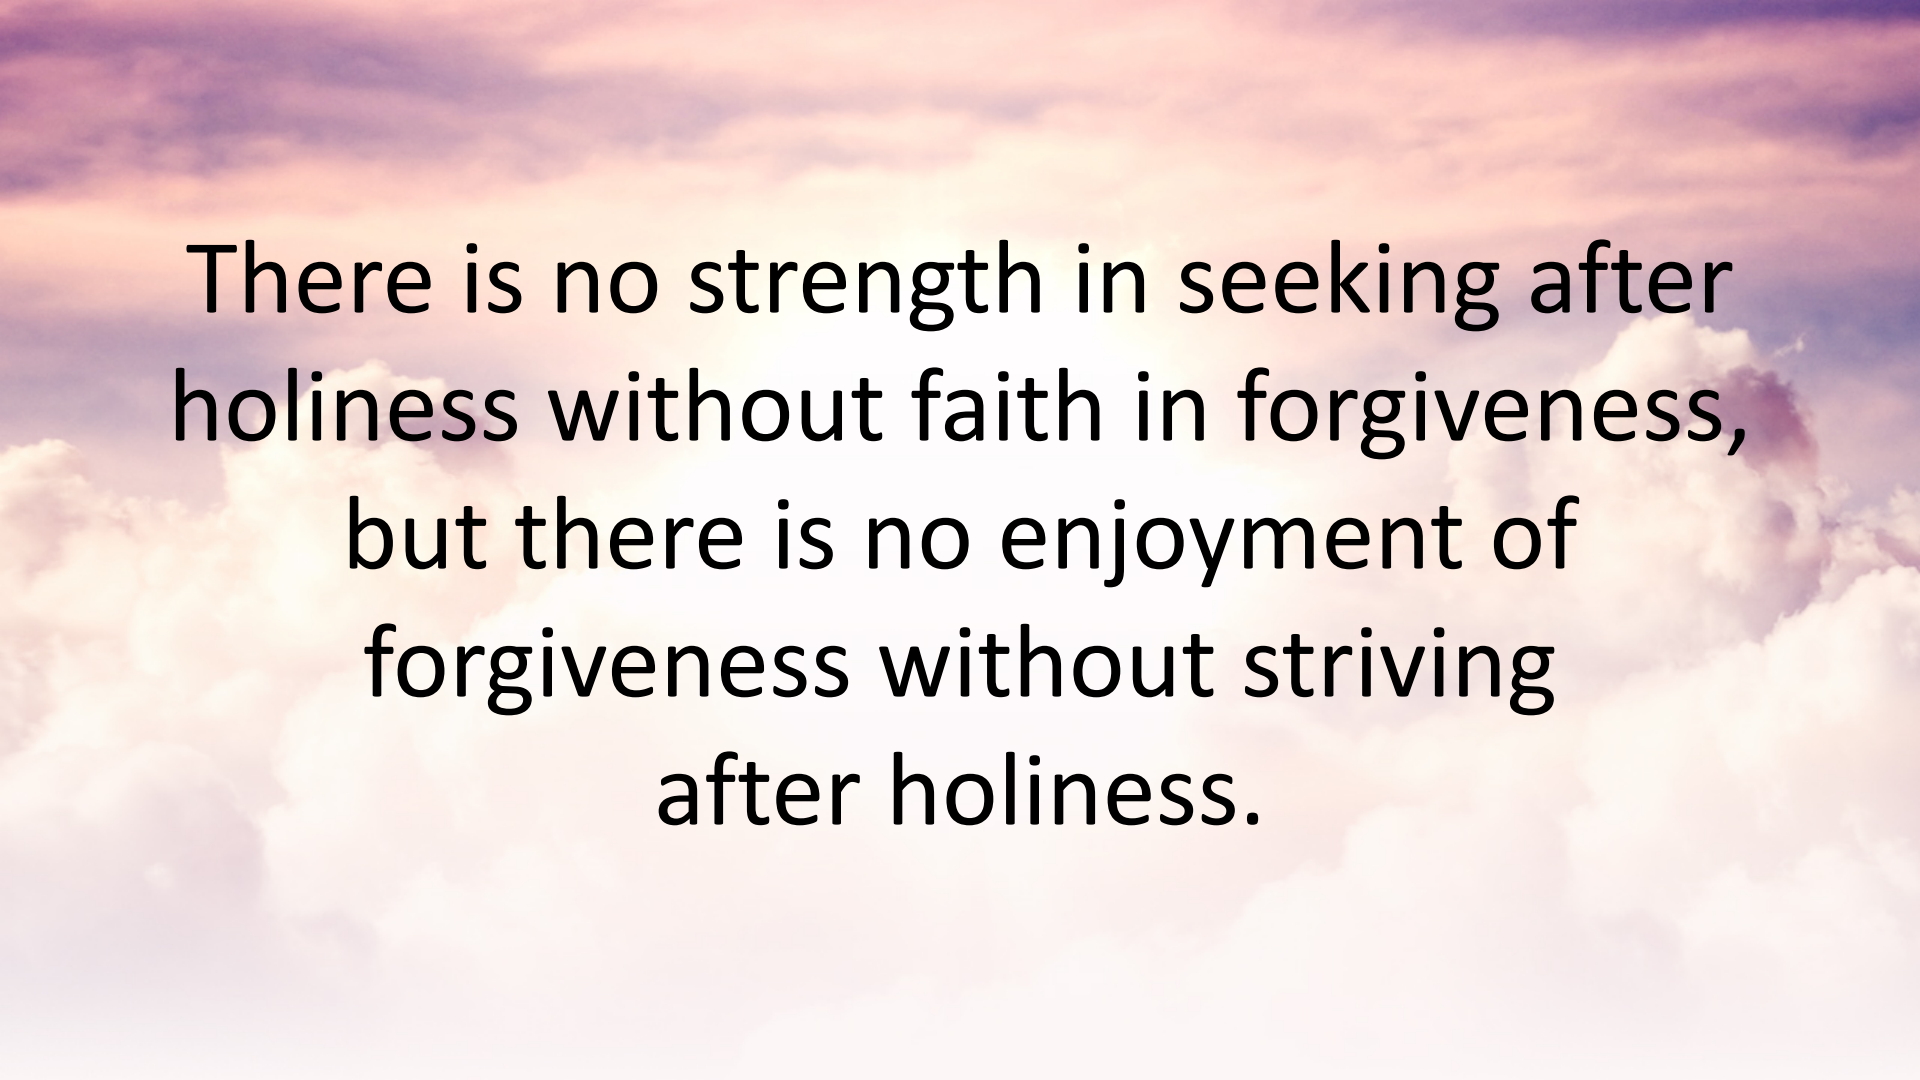

**YES** to righteousness

**YES** to godliness

“The Law says do this and live.  
It commands but gives us neither  
feet nor hands. Grace bids us fly  
and gives us wings.”

There is no strength in seeking after holiness without faith in forgiveness, but there is no enjoyment of forgiveness without striving after holiness.

We have abundant hope because glory  
will appear **in His person**

**66%** of Americans believe Jesus  
will return

**12%** expect Him to come in  
their lifetime

How will it happen?

## **Zechariah 12:10**

“And I will pour out on the house of David and the inhabitants of Jerusalem a spirit of grace and supplication. They will look on Me, mourn for Me as one mourns for an only child, and grieve bitterly for Him as one grieves bitterly for a firstborn son.

How will it happen?

## **Zechariah 13:1**

“On that day a fountain will be opened to the house of David and the inhabitants of Jerusalem, to cleanse them from sin and impurity.

## **2 Timothy 4:8**

There is laid up for me a crown of righteousness which the Lord, the righteous judge, will give to me on that day and not to me only but to all who love His appearing.

A dramatic sky with a bright sunburst in the center, surrounded by soft, white, fluffy clouds. The colors transition from a pale yellow near the sun to a soft purple and blue at the top and bottom edges.
