Questions for Reflection and Discussion

Revelation 19:11-21; 20:1-3, 7-10

1. Based on how Jesus' second coming is described in Revelation 19, what are some differences you can think of between Jesus' first and second comings? Why did he not come in majesty and power the first time?

2. How does the picture of Jesus in Revelation 19 set him apart from every other man or woman who ever lived?

3. Can the book of Revelation be used to support the claim that hell is a place of conscious torment? Why or why not? How do Revelation 19 & 20 speak to the issue?

4. How is God's sovereignty and authority shown in today's Scripture passage?

5. Why do people continue to sin even when Satan is "bound" (Rev. 20:3)?

6. Is it just for God to punish someone (even Satan!) for eternity? Why or why not?

7. What did God teach or show you from today's Scripture passage, and how will that impact the way you live?
