### Questions for Reflection and Discussion

Ephesians 1-4

1. In what ways have you most felt the uncertainty of our days over the last year?
2. Have recent disruptions to our routines raised any questions for you about what to do with your life or how you should do it? If so, what are they?
3. What is your understanding of how "the body of Christ" is linked with who Christ is?
4. What do you find more encouraging: that the church receives the incomparable riches of God's grace, or that the church receives such grace in order to make known the manifold wisdom of God? Why?
5. On a scale from 1-10 (10 being absolutely critical), how important do you believe participating in a local church is to your spiritual development?
6. In what specific ways has a local church contributed to your spiritual progress thus far?
7. In what ways have you seen "speaking the truth in love" bring about spiritual progress? Spiritual regress?
8. How do you make sense of the body of Christ being "the fullness of Christ" (Ephesians 1:23) and also needing to be built up in order to "attain the fullness of Christ" (Ephesians 4:13)? In other words, are we there yet, or not?
