Questions for Reflection and Discussion

Matthew 5:13-16

1. Do you believe our culture envisions a utopian or dystopian future? Why? What would make the difference between one or the other?
2. What sorts of people does Jesus claim will bring stability and goodness to the world?
3. Whom have you known that you would describe as "salt of the earth, light of the world" kind of people? Which of their qualities stick out to you?
4. Are the majority of people in the world "salt and light" people? What if they were? How would the world be different?
5. If we agree the world would be better if it had more "salt and light" people, why is difficult for us to live out those principles?
6. Are you typically more concerned with being accepted/approved by worldly standards or losing your saltiness? Why? Which is Jesus more concerned about? Why?
7. What is one tangible way you know you could add stability or goodness to those in your world this week?
